Since 2001 when Rosie was fatally stabbed in a motiveless and random attack in Centenary Square (Birmingham), £175,000 has been raised by donations received from the public.

During 2006 we were able to help sixteen local causes who shared just over £8,000. We were also able to give £5,000 to the University of Birmingham, Cancer Studies to purchase a piece of equipment which will enable patients to receive their biopsy results quicker and so begin appropriate treatment earlier.

Here are the local projects who received a helping hand during 2006.

Pre-school groups in Aldridge, Walsall, Kingstanding and Walsall Wood

Birmingham Children's Liver Disease Foundation

Aldridge Youth Fellowship

Brownhills Community Colts under 9's Football team

School's in Bloxwich involved in 'Every Child Matters' competition.

Alumwell School with recycling project

Birmingham Hippodrome Panto Appeal

Storytelling service to 3 local toddler groups

Rosie's spirit lives on in all of these projects. Our aim is to continue to help local groups working with children & young people.

Message from Rosie's Parents

We would be delighted if you would join us on 15th July. We have received terrific support over the previous five walks which means a lot to us, but more importantly it means a great deal to the many local people who have benefitted. The purpose of Rosie's walk is to provide an enjoyable family day out whilst raising money for the local causes we support involving children and young people. For this event to continue we need as many people as possible to collect sponsors. Non walkers are welcome to join us during the afternoon in return of a suitable donation.

We do hope you are able to support us and the work we do.

Best wishes

Karen + Sean.
